Thank you for your support of Collaborative Research in Engineering, Science & Technology (“**CREST**”).

CREST collects and processes your Personal Data\* for purposes including, but not limited to, facilitating communication and the provision of our services, processing grant applications, administering research grant funds, receiving updates and reports (where relevant), providing relevant updates from CREST and its stakeholders, supporting initiatives to connect and promote the electrical and electronics industry, maintaining a database for potential matching opportunities involving companies and individuals in research, talent development, recruitment, and facilitating referrals of expertise to companies partnering with CREST in various collaboration projects, and other relevant communications as described in greater detail below.

Further details on how your Personal Data is processed are set out in this Consent Form and in CREST’s Personal Data Protection Policy.

By signing this Consent Form, you indicate your agreement and consent to the collection, use, processing, and disclosure of your Personal Data as described herein.

## Privacy and Purpose of Processing

You may choose to provide some or all of the Personal Data requested in this Form.

By signing this Consent Form, you consent and grant to CREST, its employees, stakeholders, related corporations, agents, independent contractors, and other third parties associated with CREST with the right to collect, use, store, and process your Personal Data (which is held by CREST or which may be collected in the future) for the purposes of providing you services, offering you current and future opportunities, news, updates in the electrical and electronics industry; to conduct research and analysis; communicating through voice calls, text messages, email, direct mail, facsimile messages all in connection with opportunities and updates in the electrical and electronics industry; to ascertain if you are eligible for grants and programmes promoted by CREST and/or other third parties which CREST is associated with, process your grant/ programme applications, in connection with and to store your personal data as part of our database in respect of potential matching opportunities involving companies and individuals in research, talent development, recruitment, and facilitating referrals of expertise to companies partnering with CREST in various collaboration projects. For full details on how your Personal Data is collected, used, stored, and disclosed, please refer to CREST's Personal Data Protection Policy.

You also consent and grant to CREST to disclose some or all of your Personal Data held now or in the future by CREST to CREST's employees, stakeholders, related corporations, agents, independent contractors and other third parties associated with CREST where necessary for the purposes described. CREST will take reasonable measures to protect your Personal Data and will process it in accordance with the Personal Data Protection Act 2010 ("**PDPA**") and CREST's Personal Data Protection Policy.

You may also limit the processing of your Personal Data by expressly withdrawing your consent to such processing. Please note that any withdrawal of consent is subject to applicable legal restrictions, contractual conditions, and CREST's rights and obligations under law, and may affect CREST's ability to continue providing certain services or fulfilling its legal or contractual obligations.

In respect of your right to access and/or correct your Personal Data, CREST has the right to impose an administrative fee, refuse your requests to access and/or make any correction to your Personal Data for the reasons permitted under law, such as where the expense of providing access to you is disproportionate to the risks to your privacy.

**Declaration and Consent**

I confirm and agree that the consent I have given in this document does not replace any consent previously provided to any member of CREST and is in addition to any rights CREST may have under applicable law in connection with the collection, use and, disclosure of my Personal Data. I acknowledge that I may withdraw my consent, in whole or in part, at any time by providing written notice to CREST, subject to any legal or contractual restrictions and reasonable notice requirements. .

By signing this Consent Form, I hereby agree with all of the above and that I have read and agree with all terms and conditions of CREST’s Personal Data Protection Policy, which can be found at <http://crest.my/v2/privacy-policy/>.
